## Põhjendus (2)

Ali Mahmoud ABBAS is an "involved person" under the Syria (Sanctions) (EU Exit) Regulations 2019 on the basis that he is or has been involved in repressing the civilian population in Syria through his role as the Syrian Minister of Defence. Specifically, ABBAS is or has been involved in the repression of the Syrian population through his commanding role of the Syrian military and armed forces, who have systematically used rape, and other forms of sexual and gender-based violence against civilians.

There are reasonable grounds to suspect that they are an involved person under the Syria (Sanctions) (EU Exit) Regulations 2019 because they are or have been involved in activities carried out on behalf of the Assad regime, implementing or connected to the repressive police of that regime and/or involved in supporting or benefitting from the Assad regime.
