| <b>Tüüp</b> | Further Identifying Information: Ali Darassa founded and still leads the Central African Republic (CAR)-based militia group Unité pour la Paix en Centrafrique (UPC), which has killed, tortured, raped, and displaced civilians, committed a large number of abuses of human rights and violations of international humanitarian law, and engaged in arms trafficking, illegal taxation activities, and warfare against CAR defence and security forces, as well as other militias, since its creation in 2014. In December 2020, he played a leading role in the creation of the Coalition des patriotes pour le changement (CPC) that took up arms to oppose the elections and attempted to enter the capital Bangui, in violation of the commitments made by the UPC under the Accord politique pour la paix et la réconciliation (APPR) signed on 6 February 2019.
