## Põhjendus (4)

Subsidiary of the Syrian Ministry of Defence. Organisation for Technological Industries is involved in the production of chemical weapons for the Syrian regime. It is therefore involved in the repression of the Syrian civilian population. As a subsidiary of the Ministry of Defence, it is also associated with a designated entity.

There are reasonable grounds to suspect that they are an involved person under the Syria (Sanctions) (EU Exit) Regulations 2019 because they are or have been involved in activities carried out on behalf of the Assad regime, implementing, or connected to the repressive policies of that regime. In particular, carrying on prohibited activities related to chemical weapons in Syria.

Subsidiary of the Syrian Ministry of Defence. Organisation for Technological Industries is involved in the production of chemical weapons for the Syrian regime. It is therefore responsible for the violent repression against the Syrian population. As a subsidiary of the Ministry of Defence, it is also associated with a designated entity.
