Põhjendus (3)

Designated for the purposes of an asset freeze and a travel ban under the Russia (Sanctions) (EU Exit) Regulations 2019. The designation is made as a designation by name under the urgent procedure. The relevant provision by reference to which the Minister considers that condition B is met is Canada's Special Economic Measures (Russia) Regulations. The purposes of this provision correspond or are similar to the purposes of the UK's Russia (Sanctions) (EU Exit) Regulations 2019, which have as their purposes to encourage Russia to cease actions destabilising Ukraine or undermining or threatening the territorial integrity, sovereignty or independence of Ukraine. The Minister considers that it is in the public interest to designate (condition C).

The Minister considers that it is in the public interest to designate (condition C). The Minister certified on 13 June 2022 that conditions B and C continued to be met.

Rocket and Space Centre Progress JSC is a developer of space-related vehicles, complexes and systems. Rockets and satellites that have been developed by this entity are used by Russian military forces in their invasion of Ukraine and by the Russian state to show support for their invasion. They have therefore contributed to the destabilising of Ukraine and have undermined or threatened the territorial integrity, sovereignty or independence of Ukraine.
