## Põhjendus (3)

Stroygazmontazh Corporation (SGM Group) actively participated in the construction of the Kerch Bridge through its state contract for the construction of the bridge connecting Russia to the illegally annexed Crimean peninsula. Furthermore it was owned by an individual (Arkady Rotenberg) until November 2019 that is already designated for his actions undermining Ukrainian sovereignty. Therefore the company is supporting the consolidation of the illegally annexed Crimean peninsula into the Russian Federation, which in turn further undermines the territorial integrity sovereignty and independence of Ukraine.
